Mission, B.C.

Please inform the AAB Coordinator if planning to attend. Thanks.

(604) 826-9423

First Annual Spring Clean-Up Fundraiser

Mission Adopt-A-Block invites all Mission non-profits to participate in our 1st Annual Spring Clean-Up Event. Due to the popularity of our Annual Fall Clean-Up and in order to accommodate the interest of numerous groups – Mission Adopt-A-Block has expanded its anti-litter program to include both a Spring and Fall Clean-up this year.

The Spring Clean-Up, alike the Fall Clean-Up, entails the acceptance of eight(8) non-profit groups to participate in a community wide litter clean-up. Participating groups are responsible for the cleaning up of litter on public walkways, curbs, public green spaces,

ditches, etc. on their assigned route, while Mission Adopt-A-Block supplies the equipment, bags, etc. and oversees the removal of the collected "litter" garbage bags.

The Spring Clean-up runs over four(4) Saturdays in April and May and participating groups are awarded **\$250** upon the completion of the assigned litter route. Interested Mission non-profit groups must submit their application for this annual event before the application **Deadline March 31**.

This is a great opportunity for Mission non-profit organizations to raise funds to support their programs and all Mission non-

profits are welcome to apply. What is more, this is an excellent opportunity for groups to participate in a rewarding community project that benefits all citizens and aspects of Mission.

For more information on the Spring Clean-up, and application forms, visit www.missionadoptablock.com (under resources) OR call the AAB Coordinator at **(604) 826-9423**.

Fall Clean-Up 2007

Adopt-A-Block Board Members Wanted

Are you enthusiastic about volunteer time and community action? Are you dedicated to positive environmental awareness?

The Mission Adopt-A-Block Society's Anti-Litter Program is growing! The Society is looking for interested Mission residents to help support this year's program through the

participation of volunteer director on the society's Board of Directors. Adopt-A-Block is looking for individuals who share a positive environmental vision for Mission and who share an interest in and will participate in Adopt-A-Block's volunteer anti-litter program. Adopt-A-Block welcomes all dedicated indi-

viduals to come forward, young and old, including students, to become apart of the team this year 2008. Interested individuals are asked to contact the society coordinator at (604) 826-9423 for more information and plan to attend the upcoming Annual General Meeting on March 26, 2008.
